

2017 Dethleffs Globebus

Now \$110,000 Drive Away

This pre-loved German beauty is well presented with only 45,000kms on the clock and driven on a WOF. Built on the Fiat Ducato cab chassis she comes with separate shower and toilet areas, so no more wet rooms, fully equipped kitchen and rotating captain chairs to enhance the dining area.

Rear island bed is situated at the back so you can keep it made up without the need to dismantle and reassemble at the start and end of the day. She also houses a large garage for all the toys needed for a true New Zealand holiday.

This motorhome is an on-behalf sale.
