

Auto-Trail F-Line F72

Now \$178,900 Drive Away on WOF

The ever-popular Auto-Trail F-Line F72 is the best choice for family touring! The 4-berth capacity with its two separate lounges offers a lot of flexibility, making it easy to accommodate both relaxation and socializing needs. The large rear lounge must indeed be a great place to unwind after a day of exploring, and the thoughtful placement of the LED lighting is a nice touch for creating a cozy atmosphere.

The drop-down bed is a clever space-saving feature, and it's great to have a comfortable sleeping area without compromising on living space during the day. The low-profile design enhances the driving experience by improving aerodynamics and handling, making long journeys more enjoyable.
