

# Roller Team T-Line 590

**\$187,600 on WOF including awning**

Italian craftsmanship has delivered a multifunctional motorhome with exceptional drive quality and a functional layout. Designed for couples and small families, the Roller Team T-Line 590 features a full width rear washroom with separate shower and kitchen equipped with all your needs.

Due to its electronically operated feature, the 590 also features a double drop-down bed that can be easily lowered at night. Depending on whether there are just two aboard or four, this bed either lowers all the way down or just halfway, allowing the lounge to become a lower double bunk to sleep four. She's compact in size but large at heart!
