## Zefiro 675

**\$168,600 Drive Away on COF**

The sense of just being together and taking into account a family's every need has been a focal point in the updated Zefiro 675. Sleeping up to six people in a combination of fixed and makeup beds, everyone can experience a revitalising night's sleep wherever you stay. The rear fixed bunk beds are cosy and fun spots for the kids to rest, whilst an over-cab double is a private and restful spot for adults to retire of an evening. Two further berths are optional by converting the dinette area into a double bed space.
